Faculty Updation Program (FUP) on Wireless Security under ISEA Phase III

18 Feb - 22 Feb 2025

IIT Hyderabad

The Faculty Updation Program (FUP) on Wireless Security aims to equip educators and researchers with advanced knowledge and practical skills in wireless security, malware analysis, and critical infrastructure protection. The program focuses on enhancing teaching through real-world case studies, providing hands-on expertise in security mechanisms, and promoting research-driven learning in wireless security.

Expected Outcomes:

Participants will:

- Gain expertise in wireless protocols and security.
- Develop hands-on skills in configuring secure Wi-Fi networks, analyzing malware, and securing critical infrastructure.
- Learn to incorporate advanced security concepts and practices into their curriculum and research work.
- Build a foundation for innovative research and collaboration in cybersecurity domains.

Instructors:

- ✓ Dr. Bheemarjuna Reddy Tamma (IIT-H)
- ✓ Dr. Kotaro Kataoka (IIT-H)
- ✓ Dr. Maria Francis (IIT-H)
- ✓ Dr. Sandeep K. Shukla (IIT Kanpur)
- ✓ Dr. Saurabh Kumar (IIT-H)
- ✓ Industry Experts

"DON'T MISS THE OPPORTUNITY,
HURRY UP AND SUBMIT THE
APPLICATION TODAY"
